

Tidslinjeikoner

Her er vores udvalg af tidslinjeikoner.

Vi har 2 forskellige stile af ikoner:

Stil 1 - uformel og håndtegnet

Stil 2 - mere formel og stilren

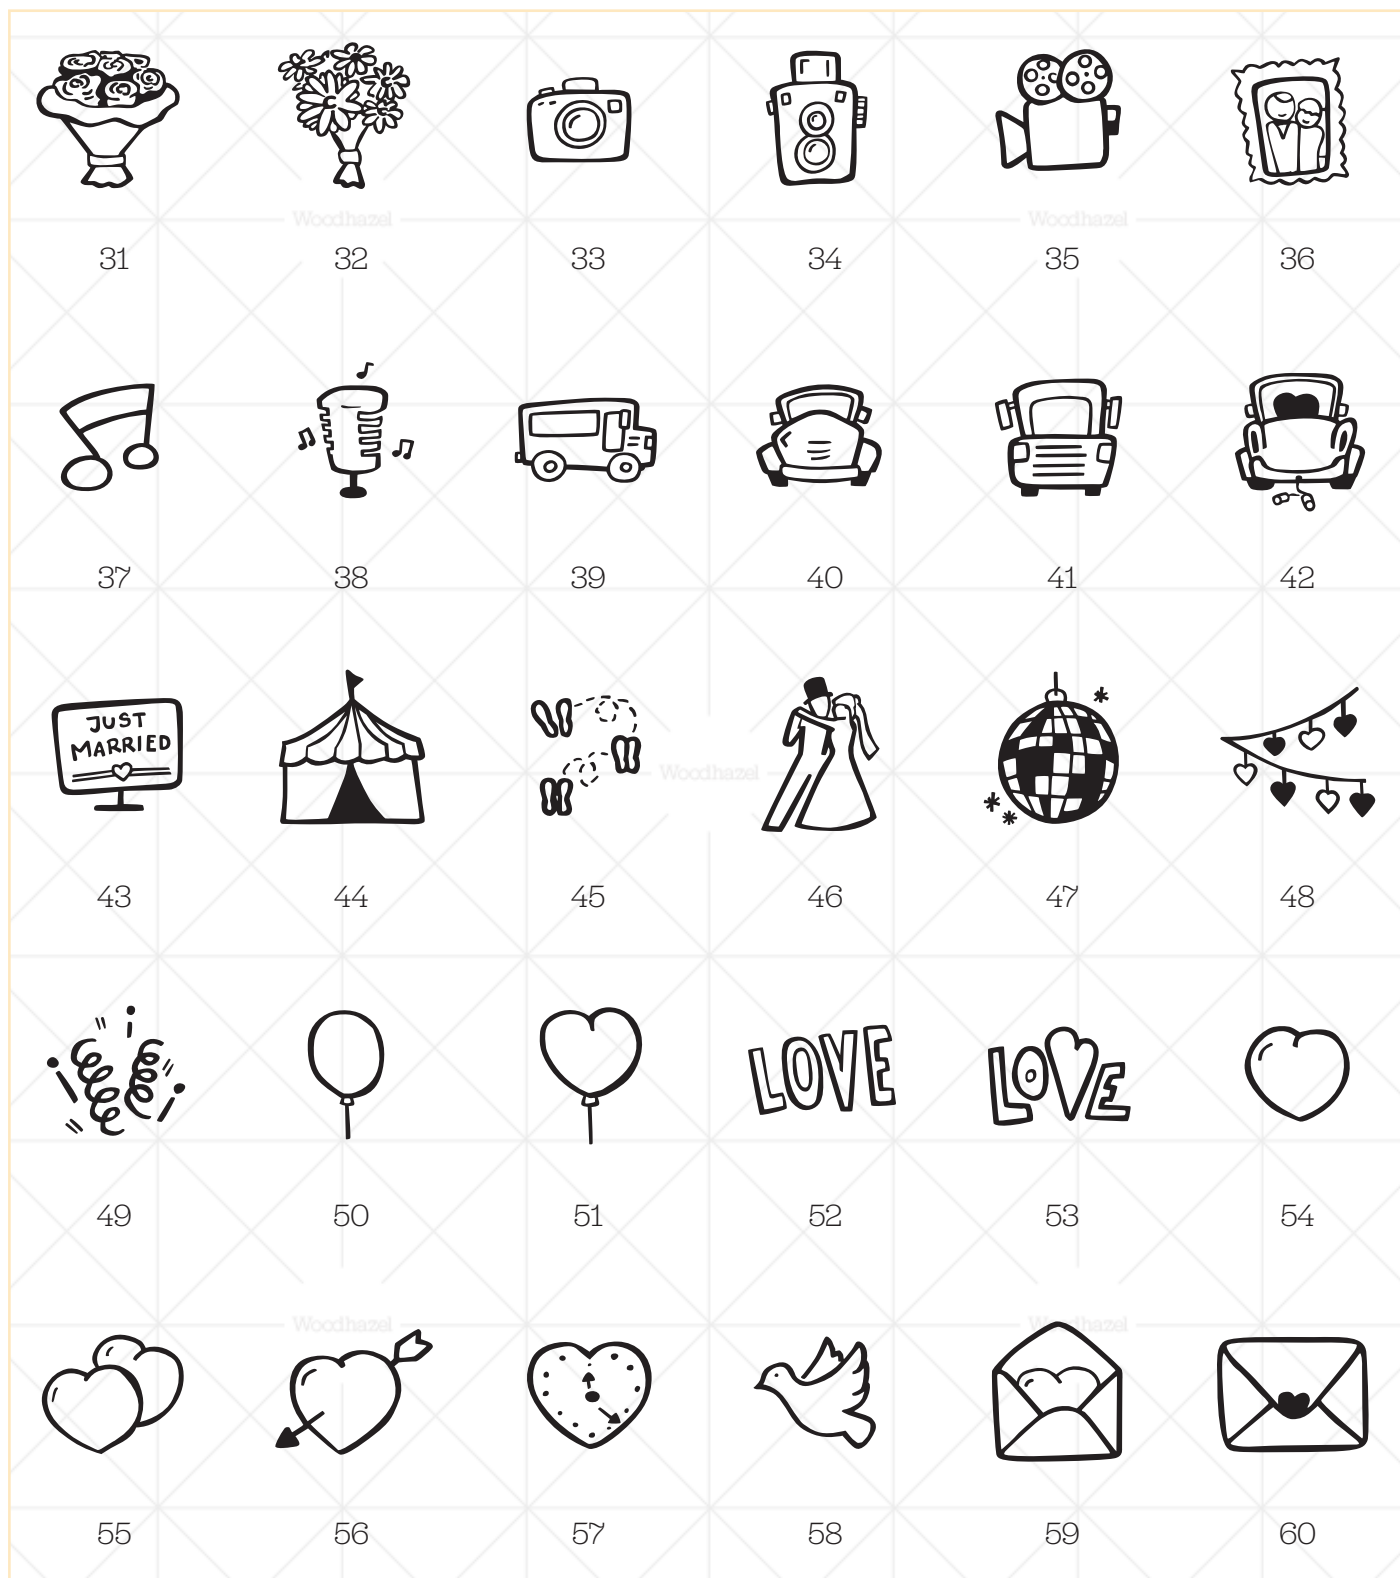

Vi anbefaler, at I vælger én af stilarterne og vælger alle ikoner fra samme stiltype.
Det giver det mest sammenhængende udtryk.

Ikonerne i denne pdf må ikke kopieres, deles eller bruges uden tilladelse fra Woodhazel.
